Adding a Data Partner

ARGWEB – Add a Data Partner

Committee Tools

County Data

Portal Manager

Add a Partner

Check that another ARG has not already added the partner. Using a quick search

Step 1: Check land manager is not already in the database

Land Manager:

Type in a keyword to search

Cannot find my land manager

Click this button to add a new partner

Cannot find my land manager

Fill out the simple form. You will need a logo to upload representing your partner. (jpg, png, bmp etc.)
This needs to be square aspect ratio (or very close)

Full name of Organisation: e.g. Royal Society for the Protection of Birds

Initials of Organisation: e.g. RSPB

Organisation Logo: Click to upload logo   Needs to be a square logo
